In a world so interdependent—
so wrought with discontent, hate, and struggle—
our individual futures rest upon the nature the coming
conflict shall assume. Ours is not the power to prevent, or
even to delay, that conflict; ours is only hope: "May
those forces triumph which in the final analysis
will best serve humanity."

### Aquatic Club

THE AQUATIC CLUB was unknown to the campus until the Fall of this school year when it was formed largely through the efforts of Richard Pohndorf, '39. It was organized in an attempt to further the interest in aquatics on the campus, but has so extended its social influence that it has become in many ways the number one club of this school year.

#### Basketball Invented at Springfield College

DR. JAMES NAISMITH Class of '91

PORTY-SEVEN years ago in the winter of 1892 the game of basketball was invented at our own college by Dr. Naismith. Faced with the problem of keeping 18 robust young men interestedly occupied during the winter term when their activities were confined to indoor exercise, Dr. Naismith set out to fashion a game sufficiently engaging yet not too rough.

The basic assumption on which he worked was that a new game must needs be a new combination of old patterns. First, he decided that inasmuch as tackling was necessary to stop a man running with the ball, the ball must be thrown to be advanced down the floor. Secondly, he concluded that the ball must be thrown at a goal of some sort, since a goal on the floor was too easily guarded, a box suspended above the floor was agreed upon. However, in

the absence of a suitable box, peach baskets became the goals, which were nailed to the gymnasium railing ten feet from the floor. Thus the first basketball game was played by twenty-two men, eleven on a side, with a soccer ball which was advanced down the floor by passing, no dribbling allowed, the object being to score a goal by tossing the ball into a peach basket.

The game was an immediate success as far as the eighteen students were concerned, and in April of 1892 was given space in the New York Times as the "new game" that was being played in gymnasiums that spring. "Y" secretaries became interested and made inquiries about the game. So it was that the game was introduced respectively at Geneva College, Beaver Falls, Pennsylvania, the University of Iowa, and the University of Kansas when Dr. Naismith went to that institution in the fall of 1898. And so the game spread

For forty-seven years the game has undergone expansion and is now being played by young men and women all over the world, beside which it is being enjoyed by old and young alike.

Although the thirteen rules with which the game was originally played have been expanded into a book of rules covering the most minute detail, basketball as it is played today is fundamentally the same as the game as first played by Dr. Naismith's "peach-basket hangers."

-massasoit

This feature on basketball has been presented in honor of Coach Hickox who for the past twelve years has been head coach of basketball. Since he took over the reins in 1927 he has turned out four New England Champions and his complete record has been one that would do honor to any coach. During that period his teams have won 159 games while losing only 57. Reluctantly we forfeit the privilege of his association, for he has captured and continues to hold our respect; not only is he a fine coach, but more than that, he is the embodiment of many of the ideals we, as men, have set up for ourselves.

For deeds you've done with heart and will
In many other days;
But most of all your spirit and

Your loyalty we praise.
O Springfield, our Springfield,

We sing to you.

O Springfield, our Springfield,
Put fight in every play.

O Springfield, our Springfield, Yours is the winning way.

O Springfield, our Springfield, Let's get into the fray.

O Springfield, our Springfield, We'll win today.

#### THE TEAM

The team, the team, the team,
Eleven men supreme;
They know the glorious game,
They'll fight for Springfield's fame.
We'll win, we'll win, we'll win,
For the team's in fighting trim;
So let's all make a noise
And get back of the boys,
And we'll win, win, win.

#### GO GET 'EM

Go get 'em, Springfield,
We're out today to win this game;
Go get 'em, Springfield,
We're backing you to bring us fame.
Fight, fight, fight—victory is near,
And your praises loudly we will cheer.
Go get 'em, Springfield.

#### SPRINGFIELD, WE LOVE THEE ONLY

Springfield, we love thee only,
Our hearts are true.
Cheer! Cheer! The game is ours,
We'll stand with you.
Rush! Rush! Everyone's with you
Right to the finish.
We will uphold you—
You are the team.
On! On! On with the ball—
For it's Springfield's game.
Go get 'em, go get 'em NOW

#### THE BULLDOG SONG

The bulldog and the Army mule,
We'll admit can fight,
But the sons of Massasoit
Have the teams that we are proud of—

#### Chorus

Fight team, fight team,
On down the field—
Fighting for Springfield,
Never to yield.
Fight team, fight team,
We'll shout your praises—
Fight, fight, FIGHT.

-massasoit

#### Songs

#### FOR OLD SPRINGFIELD

Where the pines stand on high o'er the far shining water,
Where the winds whisper soft thru the forests of yore,
There rise thy towers, our beloved Alma Mater,
There sounds thy praise from each echoing shore.
Let each noble deed in our mem'ry be dwelling,
Where victory has crowned us on track, field, or floor;
Then our voices we raise in the glad chorus swelling—
To thee, dear old Springfield, our anthems we pour.

#### Chorus

For old Springfield, for old Springfield,

We'll score away

And win the day
For Springfield.

For there is where you learn to play the game,
And there is where you learn to win the same;
The very best place on earth is she,
With a 'rah, 'rah, 'rah, 'rah, 'rah,
Springfield, Springfield,
For old Springfield, for old Springfield,

We'll score away
And win the day
For Springfield.

#### ALMA MATER

Now raise a song for Springfield,
Let hearts and voices blend
To celebrate her praises,
Whose fame shall have no end;
While fellowship makes holy,
While eager hope elates,
And visioned men come thronging
Her spacious gates.

May victory descending
E'er keep her banners bright,
And dye with new effulgence
Our rare Maroon and White;

Bring fairness with thee winging, And energy to dare; Together shall ye guardian Her fields so fair.

Earthwide may happy boyhood
Lift high his wond'ring eyes,
Strong youths bring back the vision
Of earthly paradise.
To follow truth to wisdom,
Nor faint thru falt'ring fears—
Be this thy task, O Springfield,
Thru all the years.

#### SHOW ME THE SCOTCHMAN

Show me the Scotchman who doesn't love the thistle; Show me the Englishman who doesn't love the rose; Show me the true-hearted son of old Springfield Who doesn't love the spot (!!!) Where the Massasoit flows.
